

Marist Auckland Water Polo Incorporated

(Marist, we, our, us)

Terms & Conditions

It is compulsory for all players, coaches and managers to be registered with Marist Water Polo Club. Acceptance of these terms and conditions forms part of your Club Registration.

About Marist

Marist Water Polo Club (the Club) is a not-for-profit organisation focused on promoting and developing the sport of water polo.

The Club supports and encourages strong family values:

- Developing confidence in the water
- Improving water safety
- Instilling values of dedication, discipline and reward for hard work
- Motivating the community to keep active and healthy
- Encouraging people of all shapes and sizes to have a healthy body image
- Connecting people to build local community
- Supporting the development of water polo in the greater Auckland area and beyond
- Giving children skills of mental toughness that can be applied for success in life.

Conduct

At all times when representing the Club, players, coaches, managers and registered supporters must abide by all club policies. This includes during training, tournaments, travel and league competitions.

Club policies are available to view on the "Documents & Forms" page to the website (www.maristwaterpolo.org.nz); the Club reserves the right to amend and add to these by agreement with the Committee. The current list of policies include:

- Club Guidelines
- NZWP Player Code of Conduct
- Marist Code of Conduct
- Team Selection Policy
- Child Safeguarding Policy
- Complaints Policy
- Fundraising Policy

Breach of these policies may result in exclusion from the Club without refund. Decisions of the Club organising committee are final.

Fees

Club Registration costs and Training fees are shown in Club Membership System. Payment of fees is compulsory before players may be allowed to train with or represent the club. Strictly "No pay, No play" rule applies. Unfortunately, the Club's overheads are such that it is unable to offer any family discounts.

Refund Policy

Club Registration fees are non-refundable. All requests for Training fee refunds by must be made in writing to the Club Secretary, to be considered by the committee at their next meeting.

Cancellation Policy

The Club reserves the right to cancel training due to extenuating circumstances. If more than three training sessions are cancelled per term, members will receive a pro-rata credit on their account to reduce future training fees. No refunds will be given.

Note: The training fees have been calculated taking into account the fact that some of the scheduled training days will not take place due to other pool bookings that take priority.

Return Policy

Any merchandise returns must be in their original packaging and unopened. Refunds will be less a \$25+GST handling fee.

Liability Waiver

The Club is not responsible for personal injury incurred whilst involved within the sport and it is the players and/or their guardians responsibility to identify any Medical Issues needed to be known to my Coach/Manager. Note: It is the players responsibility to ensure the Manager is advised for each age group you play in.
